This unforgettable and fun novel follows three best friends and one hot hitchhiker entering their summer road trip era. It's all about that reputation: it's the summer after senior year of high school for Carson, Noemi, and Eleanor, and they intend to live it up while they can. What could be more epic than a cross-country road trip to see Taylor Swift in concert? Along the way, the friends pick up a mysterious and charming guy who is stranded at a rest stop. Is that a James Dean daydream look in his eyes as she and Carson hit it off? Carson gets a crash course in love at first sight, but as attractions grow, so do tensions among the friends. Will the group make it to the concert with relationships intact, or is there too much bad blood at its core? A novel about the power and possibility of friendships sprinkled with just enough romance and set against the ultimate summer playlist, this lighthearted read is both a quintessential teen romance and coming-of-age novel that will stay with readers long after Taylor sings her last note.

But is ketchup safe for dogs, and what will they do about Mr. Entwistle, Isabel's neighbor who lives on the grumpy side of the fence? Summer camp shenanigans: perfect. Kids will wish they could sign up for the bigger amount of fun in the sun camp.
