from the beginning of time thinkers have puzzled over the paradox of fate vs free will in theological terms this leads to the struggle between calvinism and arminianism as we explore this paradox we find that examining the fruit of each position reveals that the river of life seems to flow between these two extremes and that again truth involves a careful balance we hear a lot about the sovereignty of god and the prerogatives of our creator are pretty obvious as the children s riddle goes where does the gorilla sleep in the forest anywhere he wants to and as most of you have discovered he has also given us one of his greatest treasures his word jealous as he is of his name psalm 138 2 highlights for thou hast magnified thy word above thy name and indeed god has declared in detail the responsibilities he desires of his people the bible lays out just how he desires to be worshipped etc beyond the mysteries associated with the sovereignty of god and the libraries are full of studies on that subject there emerges what is to many of us an even more troubling mystery the sovereignty of man internationally recognized biblical authority chuck missler explores the fundamental paradox underlying our ultimate destiny
