the gospel of luke was written says its author as an historical account of the ministry of jesus not only would it serve as the basis for a sound faith on the part of professing christians but it would also claim a place for christianity in history christ s ministry as luke shows is realized prophecy it is that time during which god s promise of salvation was fulfilled his teachings healing and acts of compassion are all part of the good news in luke s gospel christ s message of salvation is directed to the weak poor and needy with an emphasis on the importance of self denial and of whole hearted discipleship thus while luke is the most conscious historian of the gospel writers his history is a vehicle of theological interpretation in which the significance of jesus is expressed in this commentary i howard marshall calls

the gospel of luke may be very familiar to you you have probably heard the nativity story every christmas since your childhood most of

what we learn and cherish about the infancy and childhood of Jesus comes from Luke probably through his research and interviews with the blessed mother Mary. Most people even non-Christians recognize the parable of the prodigal son. There is so much more. The Gospel of Luke begins and ends in the temple. The blessed Trinity emerges clearly. The Holy Spirit is referenced more than a dozen times. All of the joyful mysteries of the rosary can be found in Luke's first two chapters. Prayer and joy permeate the Gospel of Luke. One of the most interesting features of Luke's Gospel involves his treatment of women. Luke enjoyed a privileged liberal education enabling him to write in elegant Greek. May God surprise you with joy as you study and delve deeper into this Gospel of Luke. Then he said to them, "These are my words which I spoke to you while I was still with you, that everything written about me in the Law of Moses and the prophets and the Psalms must be fulfilled." Luke 24:44. About the series especially designed for families to do together. Come and see Catholic Bible Study Series presents the rich heritage of the Catholic faith in clear and simple language with its practical direction for leaders. This commentary explores how Luke was retelling the story of Jesus in the light of the challenges faced by the early church as it spread through the Roman Empire and shows how the Gospel can be preached today both in faithfulness to the past and as a response to contemporary questions.

This radical new interpretation reveals many connections between Luke and Johannine traditions. Comparison of pericopae shared by Luke and John suggests that the usual assumptions of Lukan priority may be mistaken. Instead, his may be chronologically the fourth Gospel. Luke nevertheless treats his sources in different ways, his response being both critical and creative. He aims to give security to Christians by including as much as possible and reconciling conflicting traditions while firmly excluding heretical misinterpretation. Shellard also includes a consideration of Luke's use of possible sources, both canonical and extra-canonical, and places Luke's Acts in its literary context, noting among other things the presentation of Rome as a facilitator of evangelization and a promoter of co-existence.

Amidst the confusion and doubt that the contemporary world casts on our Christian witness, a return to the Gospel brings clarity and a sure foundation. In the Gospel of Luke, we find a model for the church, a model equally valid for each generation. Well-known for his teaching and preaching skills, Ivan Clutterbuck invites us to study the Gospel of Luke as a whole, working through the text from start to finish. We

understand the full implications of how jesus preached and organised his kingdom in this gospel guide we are provided with the latest balanced scholarship on luke s writing in an accessible form the last thirty years have seen a new concentration on the historical person of jesus that has overturned much of the speculative biblical criticism of the past that seemed to undermine faith itself only by concentrating on the teaching and ministry of jesus so clearly set out by luke do we find the bedrock of the christian message ivan clutterbuck has been a priest of the church of england for over sixty years he has served both as an army and naval chaplain and has taught in several public schools from 1966 74 he was organising secretary of the church union
