this is a new release of the original 1939 edition

originally published in 1992 channeling is a comprehensive bibliography on the subject of channeling the book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with ufos and contemporary channeling groups the book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement it provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time this volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult

not infallible is this book but to teach people to hear the creators voice and to see the heavens in full consciousness while still living on the earth and to know what awaits them after death oahspe in the late 1800s mystics from around the world brought forth enlightened perspectives and sacred texts that have set the path for our modern mystical traditions including the theosophical society the spiritualists movement rudolf steiner and anthroposophy christian science and the unity church to name a few oahspe was also written in the late 1800s and it shares many of the same perspectives eoins voice in the wind illuminates the teachings of oahspe and the deeper meaning inherent in the original writings it teaches us how to develop our higher consciousness how to understand our interrelationship with the spiritual dimensions how to deepen our relationship to the creator and it explains the many phases of our journey into life after death eoins voice in the wind presents universal wisdom that transcends contemporary perspectives and it speaks of multidimensional realities co existing with life on earth through an interactive hierarchy of angelic beings

the volumes in this set originally published between 1974 and 1992 draw together research by leading academics in spiritualism and provide a rigorous examination of related key issues the collection examines spirituality from a broad range of disciplines from the spirituality in the christian church spirituality in africa and afro american religions as well as examining the areas of channeling mediumship and spirit possession in this 3 volume set there are two incredibly unique and insightful bibliographic source collections examining both primary and secondary source listings across the subject of spiritualism and one volume providing field research into spirituality in the christian church and in the occult this collection is an incredibly useful tool for researchers examining the broad area of spiritualism and will be of interest to researchers academics and students of anthropology religion and sociology

the new testament with original greek english transliteration of the greek and english translation underneath in 3 line segments features a guide to greek numbers and letters as well as an index of page numbers for each book of the new testament
