how a few women fought to board planes then fly them and finally to break through earth's atmosphere into space the story of how women in Canada from Newfoundland to British Columbia struggled to win a place in the world of air travel first as passengers then as flight attendants and pilots and finally as astronauts anecdotes sometimes humorous and always amazing trace these women's challenges and successes their slow march over 100 years from scandal to acceptance whether in second world war skies in hostile northern bush country and even beyond earth's atmosphere from the time the first woman climbed on board a flying machine as a passenger to the moment a Canadian woman

astronaut visited the international space station this is an account of how the sky blue glass ceiling eventually cracked allowing passionate and determined air crazy women the opportunity to fly

this book of personal essays by over forty women and men who founded women s studies in canada and québec explores feminist activism on campus in the pivotal decade of 1966 76 the essays document the emergence of women s studies as a new way of understanding women men and society and they challenge some current preconceptions about second wave feminist academics the contributors explain how the intellectual and political revolution begun by small groups of academics often young untenured women at universities across canada contributed to social progress and profoundly affected the way we think speak behave understand equality and conceptualize the academy and an academic career a contextualizing essay documents the social economic political and educational climate of the time and a concluding chapter highlights the essays recurring themes and assesses the intellectual and social transformation that their authors helped set in motion the essays document the appalling sexism and racism some women encounter in seeking admission to doctoral studies in hiring in pay and in establishing the legitimacy of feminist perspectives in the academy they reveal sources of resistance too not only from colleagues and administrators but from family members and from within the self in so doing they provide inspiring examples of sisterly support and lifelong friendship

who s who of canadian women is a guide to the most powerful and innovative women in canada celebrating the talents and achievement of over 3 700 women who s who of canadian women includes women from all over canada in all fields including agriculture academia law business politics journalism religion sports and entertainment each biography includes such information as personal data education career history current employment affiliations interests and honours a special comment section reveals personal thoughts goals and achievements of the profiled individual entries are indexed by employment of affiliation for easy reference published every two years who s who of canadian women selects its biographees on merit alone this collection is an essential resource for all those interested in the achievements of canadian women

an eyewitness account of the revolution in women s rights under the law lawyer activist and former chatelaine legal columnist linda silver dranoff details her own trailblazing journey from a traditional 1950s childhood to the battlegrounds of the courts of law and the halls of power where she and a generation of women lawyers supporting a larger feminist movement championed the rights of canadian women and families through a combination of memoir and social history dranoff brings to life the struggles around family law pay and employment equity violence

against women abortion rights childcare pension rights political engagement public policy and access to legal justice from backroom battles to public and private protest the stories are inspiring fairly equal reminds us of the importance of remaining vigilant about our rights knowing what dronoff s generation of women lawyers and activists achieved and how easily it can be taken away we are encouraged in sisterhood and solidarity to ensure that the many hard won gains of the feminist movement are maintained and expanded for the women who follow

beretning om canadiske kvindelige piloter såvel inden for militær som civil flyvning

this book with more than 250 a to z entries focuses on women s roles in aviation including biographies of famous women pilots the world over the contribution of women pilots to the allied cause in world war ii the accomplishments of women astronauts and much more

universal health care is a constant source of pride and comfort to canadians but how much control do we as health care consumers have over our own treatment how do we know which hospitals and doctors are the best what information is being withheld and at what cost to our health in operating in the dark lisa priest discovers that the system is set up for the convenience of the doctors and hospitals the vulnerable sick are often left to trust blindly with little way of knowing if they re getting the best care possible what priest finds is that the canadian health care system is often remiss in communicating information to the people who use it priest argues that for a fair and accessible health care system we must demand more information from those doctors and hospitals that keep patients in the dark
