take students beyond textbook history to explore various people and events from ancient Egypt through the 20th century using primary sources students will develop critical thinking and essay writing skills as they analyze the various documents including photographs posters letters maps and more multiple social studies topics are included for grades K 3 4 8 and 9 12 this resource includes engaging digital resources and is aligned to college and career readiness and other state standards

this book considers teacher training in social studies and finds it lacking a sense of genuine critical empathy a sense of shared humanity current teacher education generally defines critical thinking as processes which examine topics in greater complexity but does not prepare candidates to study confront and challenge existing social structures often in response to state mandates teacher education programs rate and interpret candidate quality based on their conformance with standards and defined outcomes there is a lack of tolerance for alternative views that may substantially challenge the often oppressive hierarchical system of authority in our world this volume which includes contributions from social studies educators in the U.S. Canada and Australia offers the thinking and practice of teacher education scholars who embrace the idea and practices of empathy in the social studies classroom defined as the ability to understand and share the feelings of another direct emphasis on empathy represents a vehicle for developing a sense of mutual understanding and questioning of economic and social systems developing teacher candidates who comprehend and experience the feelings of diverse education stakeholders provides opportunities for harmonious teaching and learning environments situated in the lives of learners
