out of deep and wider personal experience of the pacific island churches as well as a mastery of the documentary sources charles forman has produced a very

valuable and interesting book the pacific basin assumes an increasingly central place in world history the scattered christian communities of that ocean are entering vigorously into worldwide ecumenical relationships it is increasingly important to understand these churches and their potential contribution much of the popular mythology not to say demonology of missionary christianity is linked with these pacific islands this book puts the whole story in perspective as it brings us up to date and suggests the issues of today and tomorrow david m stowe executive vice president united church board of world ministries this book covers the whole are of the pacific churches both protestant and roman catholic and the english and french it states the historical facts and has a prophetic outlook to the changing pacific christianity of tomorrow s amanaki havea principal the pacific theological college suva fiji islands the nineteenth century story of christianity in the pacific is well known especially through the biographies of its heroes charles forman has written the twentieth century story with careful attention to the sources and with great clarity we see the steps from mission to church and from village congregation to ecumenical involvement particularly helpful are the thematic treatments of cargo cults modern sects the effects of world war ii independence and nation building can these traditionally minded christian communities respond effectively to modern secularism and the mixture of cultures the author shows that they can and so enables the small pacific island churches to contribute further to the world church the bibliography is an excellent tool and the footnotes repeatedly reveal how well the author knows the churches and the people who have led them bernard thorogood general secretary and clerk of the assembly the united reformed church london

delving into pacific spaces from a variety of disciplinary perspectives and interpretations this book looks at how the anthropological and architectural can be connected the contributors to this book architectural practitioners architectural and spatial design theorists anthropologists and historians show not only how new theoretical perspectives can arise out of comparing aspects specific to one discipline with their equivalents of another but also demonstrate how a space of emergence is created for something that goes beyond both enhancing both fields of potentialities

a history from writers from western samoa examining thematically the influences of european settlers the churches german and nz colonialism and the background to western samoa s independence this short history is written for the general reader and for senior high school and university students seeking an overview of samoan history first published in 1987 and last reprinted in 2003 this is a reissue of the 2003 edition for 2018

a collection of information on samoan protocols traditions oratory addresses and honorifics and genealogy includes information on american samoa

this book asserts that the pacific islands continue to struggle with the colonial legacy of plural legal systems comprising laws and legal institutions from both the common law and the customary legal system it also investigates the extent to which customary principles and values are accommodated in legislation focusing on samoa the author argues that south pacific countries continue to adopt a western approach to law reform without considering legal pluralism which often results in laws which are unsuitable and irrelevant to samoa in the context of this system of law making effective law reform in samoa can only be achieved where the law reform process recognises the legitimacy of the two primary legal systems the book goes on to present a law reform process that is more relevant and suitable for law making in the pacific islands or any post colonial societies

historical background of the colonisation and accession to independence of western samoa and study of the development of government and political structures of the country refers in particular to the period from 1830 to 1962 and covers the role of uk the role of germany the role of usa the role of new zealand political leadership public administration government policy sociological aspects cultural factors tradition etc references

a guide to print culture in aotearoa the impact of the book and other forms of print on new zealand this collection of essays by many contributors looks at the effect of print on maori and their oral traditions printing publishing bookselling libraries buying and collecting readers and reading awards and the print culture of many other language groups in new zealand
