protecting suburban america explores the dynamics and conflicts inherent in preserving  
historic twentieth century suburban landscapes in america bridging architecture  
anthropology planning and urban studies its unique approach combines a study of historic  
preservation with multi sited ethnographic fieldwork to shed fascinating light on issues  
of heritage preservation gentrification class ethnicity and contested values in suburbia  
these are subjects which reach far beyond the setting of the book s focus in california to  
touch on topical debates in cities suburbia and gentrifying neighborhoods worldwide at the  
heart of the book is a detailed comparative ethnography of preservation practices and the  
changing landscapes of five suburban cities where affluent homeowners have begun to  
restore their early twentieth century houses in neighborhoods once suffering from decline

not every neighbor however shares the same aesthetic values and complex dynamics can arise the study compares experiences in five different cities and in different long term immigrant and gentrifying populations themes revealed include homeowner restoration practices aesthetic contestations local advocacy and public policy alongside an exploration of the social construction of the historic restoration process and how homeowners construct historical meaning in their homes and neighbourhoods these are themes with consequences for national and global settings of interest wherever contested preservation aesthetics and regulations are reshaping older residential neighbourhoods and their social dynamics

exploring the mystery wisdom and power of the dark phase of the moon s cycle a lunar based model for moving through the dark times in our lives with understanding consciousness and faith in renewal the moon s dark phase has traditionally been a time of fear and superstition a time associated with death and isolation the mythical embodiment of these fears is the dark goddess known around the world by many names lilith kali hecate and morgana the archetypal dark goddess represents death sexuality and the unconscious the little understood often feared aspects of life demetra george combines psychological mythical and spiritual perspective on the shadowy feminine symbolism of the dark moon to reclaim the darkness from oppressive fear based images george offers rites for rebirth and transformation that teach us to tap into the power of our dark times maximizing the potential for renewal inherent in our inevitable periods of loss depression and anger
