please explain alzheimer s disease to me introduces the condition to children in a colorful sensitive and gentle story followed by a
parent caregiver section that supplies comprehensive information that adults can use to understand and plan for the course of the
disease affecting their loved one dr zelinger a board certified psychologist for children presents the situation to children in a warm

developmentally appropriate way using appealing characters of diversity child friendly language and familiar scenes they can relate to as well as scripts that parents can use when speaking to their child this book is more than a helpful guide it s the only book you will need if you have a child who is asking what s wrong with grandpa children will enjoy the story and illustrations and will identify with the main characters get answers to their questions grasp the nature and reason for a grandparent s changes learn basic biological information about brain function understand why a grandparent will require more care feel empowered and find ways they can be helpful parents and caregivers will have word for word scripts available to answer their child s questions learn about the progression of the disease understand their role and the nature of care that is required gain information for decision making in areas of medical emotional and daily care know they are not alone in this difficult journey dr zelinger has provided an engaging book that presents important information in a user friendly format and offers adults the foundation for easily engaging children in what may initially seem like a very difficult discussion i will be sure to recommend this resource to everyone i know in the sandwich generation shane s bush ph d abpp board certified in geropsychology president american board of geropsychology dr zelinger s book helps take the mystery out of a truly mystifying disease the children s story will help reduce the anxiety and fear a child may have when faced with one suffering from alzheimer s and the adult portion of this book gives practical examples to help guide the adult when questions arise a truly informative and inspired book marilyn cherney occupational therapist grandmother a very much needed book to explain a very difficult topic to our children and ourselves dr zelinger s warmth insight and clinical judgment shine through her every page this is a superlative book that will get front row billing on my office bookshelf deborah lief dienstag md faap pediatrician dr zelinger takes a painful topic for both children and parents alike and turns it into a beautiful story and a detailed handbook that gives us the tools we need to broach a topic we all hope to never have to face this book is a must read for families facing the challenges that come along with a loved one experiencing alzheimer s disease avi satt president allegria senior living a much needed book to explain a difficult topic to our children and ourselves dr zelinger s warmth insight and clinical judgment shine through her every page this is a superlative book that will get front row billing on my office bookshelf deborah lief dienstag md faap pediatrician from the please explain series learn more at drzelinger com

from catullus to horace the tradition of latin erotic poetry produced works of literature which are still read throughout the world ovid s amores written in the first century bc is arguably the best known and most popular collection in this tradition born in 43 bc ovid was

educated in rome in preparation for a career in public services before finding his calling as a poet he may have begun writing his amores as early as 25 bc although influenced by poets such as catullus ovid demonstrates a much greater awareness of the funny side of love than any of his predecessors the amores is a collection of romantic poems centered on the poet s own complicated love life he is involved with a woman corinna who is sometimes unobtainable sometimes compliant and often difficult and domineering whether as a literary trope or perhaps merely as a human response to the problems of love in the real world the principal focus of these poems is the poet himself and his failures foolishness and delusions by the time he was in his forties ovid was rome s most important living poet his metamorphoses a kaleidoscopic epic poem about love and hatred among the gods and mortals is one of the most admired and influential books of all time in ad 8 ovid was exiled by augustus to romania for reasons that remain obscure he died there 17 the amores were originally published in five books but reissued around 1 ad in their current three book form this edition of the first book of the collection contains the complete latin text of book 1 along with commentary notes and full vocabulary both and thought provoking this book will provide an invaluable aid to students of latin and general readers alike this book contain embedded audio files of the original text read aloud by aleksandra szypowska
